Statement of intent

**Wodensborough Ormiston Academy** recognises that there is a need to ensure that our curriculum is inclusive and accessible, providing opportunities for all pupils to succeed; furthermore, we recognise the need to offer other provisions to some pupils that allow them to achieve their potential outside of what is accessible at the school.

Alternative provision is educational provision for pupils who are unable to access, or unsuited to, mainstream education for a variety of reasons. It aims to ensure the continued education of pupils in the school in a supportive and nurturing environment. The school strives to reintegrate all pupils into mainstream education wherever possible.

This policy outlines the key aspects of alternative provision at the school, including the reasons for which a pupil may be directed to alternative provision, the referral process and the methods for reintegrating pupils back into the school.

1. Legal framework

1.1. This policy has due regard to legislation and statutory guidance, including, but not limited to, the following:

- The Education and Inspections Act 2006
- The Data Protection Act 1998
- The Education Act 2002
- DfE (2017) ‘Exclusion from maintained schools, academies and pupil referral units in England’

1.2. This policy operates in conjunction with the following school policies:

- Behavioural Policy
- Equal Opportunities Policy
- Attendance and Truancy Policy
- Child Protection and Safeguarding Policy
- E-safety Policy
- Health and Safety Policy
- SEND Policy
- Anti-Bullying Policy
- Exclusion Policy

2. Definition

2.1. For the purpose of this policy, ‘alternative provision’ is defined as: “Education arranged by local authorities for pupils who, because of exclusion, illness or other reasons, would not otherwise receive suitable education; education arranged by schools for pupils on a fixed-period exclusion; and pupils being directed by schools to off-site provision to improve their behaviour.”

3. Purpose of alternative provision

3.1. The school recognises that all pupils are individuals with different strengths and weaknesses, and that mainstream education is not suitable for everyone.

3.2. Alternative provision focusses on ensuring that pupils continue to receive a high-quality education whilst their needs are being addressed and offers a variety of alternative curriculum provisions in order to support pupils’ wider development.

3.3. The school may arrange alternative provision for pupils for a number of reasons including, but not limited to, the following:

---

• To encourage the inclusion in education of pupils who have had one or more fixed-period exclusions, or who are at risk of permanent exclusion
• To ensure pupils are offered a variety of alternative curriculum provisions as a way of supporting their wider development, and equipping them with skills and experience that will benefit them later in life
• To further personalise the curriculum for some pupils, where there is a need
• To meet the needs of pupils who struggle to meet the academic and social demands of mainstream education expectations
• To negate any damage caused by negative experiences a pupil may have had in subject areas they cannot access
• To meet legal obligations

3.4. Once directed to alternative provision, the length of time a pupil spends there will be dependent on what best supports their needs, providing the placement is appropriate and their progress is regularly monitored.

3.5. Directing a pupil to alternative provision can benefit them in different ways depending on their individual circumstances, including the following:

- Pupils can access a variety of educational options, including academic and vocational routes
- Pupils are given a greater degree of flexibility in what and how they learn, which can increase motivation
- Pupils are given a level of independence and are encouraged to take responsibility for themselves

4. Good alternative provision

4.1. Alternative provision will differ from pupil to pupil dependent on their needs; however, the providers commissioned by the school aim to:

- Be suited to individual pupils' capabilities and identify their specific personal, social and academic needs in order to help them overcome any barriers to attainment.
- Achieve good academic attainment on par with mainstream schools and deliver appropriate accreditation and qualifications.
- Improve pupil motivation, self-confidence, attendance and engagement with education.
- Provide clearly defined objectives to the school and pupil, including the next steps following the placement, such as reintegration into mainstream education.

5. Suitability of providers

5.1. The school is able to access a variety of alternative provision placements and the school has procedures in place to ensure pupils make good progress whilst at the provision, as outlined in section 14 of this policy.
5.2. The suitability of the providers of alternative provision commissioned by the school is continually assessed to ensure they continue to offer the best path for the school’s pupils.

5.3. The school’s designated safeguarding lead (DSL) - P. Mills ensures all providers to the school are registered and approved, and that they have relevant policies in place to cover safeguarding and health and safety.

6. Planning for alternative provision

6.1. The school strives to encourage all pupils to achieve or exceed the standards of a good education.

6.2. The school focusses on the early assessment and identification of a pupil’s needs before their behaviour has deteriorated to the extent that exclusion is the only option.

6.3. If a pupil is directed to alternative provision, the school ensures that a personalised plan for intervention is developed, setting clear objectives for improvement and attainment, timeframes, arrangements for assessment and monitoring progress, and a baseline of the current position against which to measure progress.

6.4. Intervention plans are linked to other relevant information, such as education, health and care (EHC) plans.

6.5. Full records of all alternative provision placements are maintained, including information on the pupil’s progress, achievements and destination following their placement, as well as the pupil’s own assessment of their placement.

7. Roles and responsibilities

7.1. The LA is responsible for:

- Arranging suitable full-time education for pupils who have been permanently excluded from the school, as outlined in section 10 of this policy.

• Continually assessing the quality and suitability of providers of alternative education.

7.5. The alternative provision lead is responsible for:

• Undertaking visits to the alternative provision sites, as requested by the SLT, to review the progress of relevant pupils.
• Deciding on an appropriate course of action, in conjunction with the Alternative provision lead and the headteacher, if informed of any serious behavioural incidents in relation to the school’s pupils by a provider.

7.6. The DSL is responsible for:

• Ensuring that the alternative education providers used by the school are registered and approved, and that they have the relevant policies in place to cover safeguarding, child protection, and health and safety.
• Ensuring that all adults at the provision are cleared to work with pupils, e.g. they have the relevant DBS checks.
• Ensuring that all alternative providers receive and adhere to the school’s Child Protection and Safeguarding Policy.

7.7. The Attendance Officer is responsible for:

• Monitoring the attendance of pupils who have been referred to alternative provision and updating the school’s records on a weekly basis.
• Providing attendance updates to the alternative provision lead and headteacher on a weekly basis.

- Liaising with the alternative provision lead to ensure there is a system in place for tracking pupil progress.

7.9. The SENCO is responsible for:

- Giving alternative provision providers details of a pupil’s SEND, where appropriate, so their placement can be catered to them.

8. Referral process

8.1. The school works in conjunction with alternative provision providers to develop procedures for referring and admitting pupils to alternative provision.

8.2. Once the school has taken the decision to direct a pupil to alternative provision, the pupil and their parents will be called for a meeting with the headteacher and alternative provision lead.

8.3. At the meeting, the alternative provision lead will clearly explain to the pupil and their parents the reasons for directing the pupil to alternative provision.

8.4. An agreement will be made between the school and the parents with regards to referring the pupil to alternative provision. This agreement will be reviewed on a termly basis, and the timescales and responsibilities for reviewing the agreement must be made clear to providers, parents and pupils.

8.5. Responsibilities for supporting the pupil and timescales for reviewing the alternative provision agreement will be made during the initial meeting.

8.6. Parents of the pupil will be fully involved in the referral process and any decisions taken to refer their child to alternative provision.

8.7. Once parents have agreed for their child to be directed to alternative provision, the pupil must attend any on- or off-site provision; failure to attend the provision will carry the same consequences as non-attendance at the school, as outlined in the Attendance and Truancy Policy.

8.8. Where parents refuse to accept the offer of alternative provision, this will be documented.

8.9. A pupil referred to alternative provision will be dual registered from the day the provision commences.

9. Directing pupils off-site to improve behaviour

9.1. The school can direct a pupil to off-site alternative provision in order to improve their behaviour.

9.2. In these instances, the Academies governors will:
• Ensure that the pupil's parents (and the LA, where the pupil has a statement of SEN) are given clear information about the placement, i.e. why their child has been directed to off-site provision, when the placement will begin, where the placement will be, and how it will be reviewed.
• Keep the placement under review and involve the pupil’s parents in this process. The frequency of these reviews is decided on a case-by-case basis.

10. Arranging provision for excluded pupils

10.1. The Academies governors will arrange suitable full-time education for pupils who receive a fixed-period exclusion of more than five school days. This provision will begin no later than the sixth school day of exclusion; however, the school will endeavour to arrange the alternative provision to begin as soon as possible after the commencement of an exclusion.

10.2. Consecutive fixed-period exclusions are regarded as a cumulative period. If a pupil is excluded for more than five consecutive days, the alternative provision will be arranged for the sixth school day of exclusion, regardless of whether this is a result of one or more fixed-period exclusions.

10.3. The LA will arrange suitable full-time education for any pupil permanently excluded from the school; this alternative provision will begin no later than the sixth school day of exclusion.

10.4. Where a pupil who is permanently excluded has an EHC plan, the LA may review the plan or reassess the pupil’s needs, in conjunction with their parents, with a view to identify a new placement.

10.5. Where it is not possible or appropriate to arrange alternative provision during the first five school days of an exclusion, the headteacher will ensure that the pupil is set work and that this is marked.

11. Pupils with additional needs

11.1. Where the school has concerns about the behaviour, or risk of exclusion, of a pupil with additional needs, an EHC plan or an LAC, the headteacher, DSL and SENCO and Alternative Provision lead will consider what additional support or alternative placement may be required.

11.2. The school will always ensure there has been an accurate assessment of a pupil’s needs in order to ensure that suitable alternative provision is put in place.

12. Notifying parents

12.1. Where the school directs a pupil to off-site alternative provision, their parents will be notified in writing.

12.2. Notification will be sent as soon as it is practical and no later than two days before the placement is due to begin.
12.3. The notification letter will explain the purpose of the alternative provision and the reason the pupil has been referred to this provision.

12.4. The notification letter will state the dates for which the pupil will be required to attend alternative provision, the time the provision will start, the amount of time the pupil is to spend at the placement each day, the address the pupil will need to attend and the name of the person whom is responsible for the provision.

13. **Communication with providers**

13.1. The objectives of placing individual pupils in alternative provision are clearly communicated to providers and progress against these objectives is monitored by the *alternative provision lead*.

13.2. The school maintains ongoing contact with the provider and the pupil in order to exchange relevant information, monitor progress and provide pastoral support.

13.3. All relevant information shared between the school, provider and other parties is communicated in easily-understood language and in accordance with data protection principles; including any information on SEND, literacy, safeguarding or other issues, as well as any information requested by the provider as appropriate.

13.4. Providers are made aware that they should raise any safeguarding concerns regarding a pupil of the school with the *DSL*.

14. **Monitoring academic progress, behaviour and welfare**

14.1. Upon placement in alternative provision, the school will provide the provider with the pupil’s attainment data.

14.2. Whilst a pupil is placed in alternative provision, the school will monitor their academic progress, behaviour and welfare.

14.3. Providers are required to complete a *termly* report on the pupil’s academic progress, behaviour and welfare, as part of the school’s monitoring process and in line with Wodensborough’s data capture.

14.4. The *alternative provision lead* or other relevant member of staff will visit pupils placed in alternative provision at appropriate intervals. This will be co-ordinated by the *Alternative provision lead*.

14.5. If a serious behaviour incident occurs whilst a pupil is in alternative provision, the provider will contact the school.

14.6. Pupils who are not making satisfactory progress at their placement will undergo a formal review meeting, which will be attended by the headteacher, *alternative provision lead*, pupil, their parents and the provider.
14.7. If a pupil’s progress does not improve following three formal review meetings, the school may end the placement.

14.8. The placement may also be ended in some extreme circumstances, e.g. safeguarding concerns.

15. Monitoring attendance

15.1. The school recognises that, in order for alternative provision to benefit pupils, they must attend the provision; therefore, the school monitors the attendance of all pupils in alternative provision.

15.2. Providers are required to contact the school whenever a pupil placed there is absent.

15.3. The school will contact pupils’ parents, where their child has been absent from provision, in order to resolve the issue and to ensure regular attendance is achieved.

15.4. The school will formally monitor the attendance of pupils placed in alternative provision and update attendance records on a weekly basis.

15.5. Pupils whose attendance falls below the school’s target will be subject to interventions as per the school’s Attendance and Truancy Policy.

16. Reintegration

16.1. The Alternative provision lead, in conjunction with other relevant members of staff, (e.g the Head of school) will plan a phased return back into school for pupils who have been directed to alternative provision.

16.2. Before reintegration, the Alternative provision lead will obtain a final report on the pupil’s achievements during the placement; this includes academic attainment and progress, attendance records and evidence of change in behaviour.

16.3. The Alternative provision lead will also speak to the pupil to assess their views on the success of the placement.

16.4. In light on the final report and views of the pupil, the Alternative provision lead will implement an appropriate reintegration plan based on the pupil’s needs. This may include a discussion with the pupil’s parents and/or setting specific objectives for the pupil to achieve on reintegration, e.g. attendance or behaviour.

16.5. If a pupil does not reintegrate, the school will work with the provider to ensure the pupil can move onto suitable education, employment alongside part-time studying, or training. The school will collect and record information about the pupil’s next destination as part of its planning for alternative provision intervention.
17. Monitoring and review

17.1. This policy will be reviewed by the headteacher and Governing body on an annual basis.

17.2. Any changes to this policy will be communicated to all members of staff.

17.3. The next scheduled review date for this policy is September 2019.
